HATIL
FURNITURE

HATIL is a fast-growing Global Furniture Brand with customers and connoisseurs around the globe. The brand presents an impeccable range of wooden furniture products manufactured from the best sourced materials and with a deft touch of seasoned artisanship.

It all started in the late 60's with a modest timber company. Eventually the owning family of that company came forward to launch a Global Furniture Brand. Thus, **HATIL** was born. Latest Technology, Total Quality Management, Lean Manufacturing, Unique Design Sensibility and Smart Retail Presence have already carved a niche for the brand. Countrywide **HATIL** has more than 70 showrooms.

HATIL started its global journey making exports to the US, Canada, Russia and the Middle East. Brand showrooms were opened in Nepal, Bhutan and across India.

In India, the first **HATIL** Furniture showroom opened in Zirakpur, Punjab in 2017. Immediately after, Kolkata saw its first showroom in Chinara Park. There was no looking back since then. Almost every major state in India has got **HATIL** Furniture showrooms in prominent locations.
